Sherman Oaks, CA 91423

Dear Michael:

I'm writing you to ask your permission for World Events LLC to underwrite New Year's concert with dinner tickets for 1600 (400 per school) underprivileged children from McKinley High School, Farrington High School, Roosevelt High School, and Moanalua High School, who will be given free concert tickets and attend a special dinner with the stars at the New Year's Eve gala at Blaisdell Arena on December 31, 2003.

This will be the greatest Christmas gift and New Year's Eve present for teenagers who aspire to achieve higher goals in their life. The publicity we will receive from having arranged for these children from the four high schools in Honolulu to attend such an event will show how charitable we can be. The publicity will be extremely positive at this time. It reflects our willingness to help others from different cultures.

I hope you will agree to World Events LLC spending \$16,000 for this event from which we will receive acknowledgement letters from each of the high schools.

I am wishing you a Merry Christmas and a Happy New Year.

Much Love,

David Gest
Co-President, World Events LLC
